Celebrating the 90th Anniversary of Spojnia Farm

We are in need of help from campers and guests past and present, to provide for the future campers of the Bishop Hodur Retreat and Recreation Center at Spojnia Farm.

“IF YOU EVER WANTED TO GIVE BACK,
NOW IS THE TIME!”

The Goal of the “90 for 90 Campaign” is to modernize the Bishop Hodur Retreat Center for the enjoyment of the future campers and future church functions; such as Spiritual Retreats, Children’s Programs, Committee Meetings, and Conferences.

Your generosity will directly go towards our needs:

The current pool is in dire need of a replacement. It was originally installed in 1979 and has been through several pool liners.

The Retreat Center was built in 1990, and although there is fresh paint and carpet, the building needs air conditioning and a more efficient heating system.

There is also a need for new single bed mattresses.

A Future Chapel

Our GOAL is to raise 90K for 90 Years of Appreciation, to last 90 more years.

The campaign starts October 1, 2018 and ends on December 31, 2019.

A dedication ceremony on July 4, 2019 @ the BHRRC was presented to provide everyone with updates on how the Campaign is progressing.

The United YMS of R has made the “90 for 90 Campaign” our 2018-19 Service Project. Donations can be made by Parishes , Groups, Organizations, campers, and guests.

Why should I donate?

- My religious faith teaches me to help others.
- Have an impact in changing someone's life.
- The emotional connection to be a part of a giving community in the Polish National Catholic Church.
- The thought to memorialize someone who is struggling or has passed.
- The feeling of being fortunate and wanting to give back to others.
- The memories you had at Spojnia Farm will be passed on for the enjoyment of future generations.
